Fig. 13A and Fig. 13B are exploded perspective views of a fastener assembly. Fig. 13A shows a square plate 100 with a central circular hole 104 and a smaller circular feature 130. Fig. 13B shows a threaded fastener 106 with a hexagonal head 110 and a threaded shaft 108. The fastener 106 is shown in two positions: one aligned with the hole 104 in the plate 100, and another showing the fastener 106 alone. The fastener 106 has a hexagonal head 110 and a threaded shaft 108. The plate 100 has a central circular hole 104 and a smaller circular feature 130. The fastener 106 is shown in two positions: one aligned with the hole 104 in the plate 100, and another showing the fastener 106 alone.
